

HELP BANTERRA RAISE MONEY FOR VETERANS HONOR FLIGHT

BY MAKING YOUR DONATION HERE TODAY!

Banterra makes it a top priority to give back to the local areas where our team members live and work. The Honor Flight program is a nation-wide network dedicated to providing veterans who apply a free trip to Washington D.C. to visit memorials honoring their service and sacrifice.

Help us send local veterans on this trip of a lifetime through the Southern Illinois and Southern Indiana chapters by making your donation here today.

Our team members will make a weekly donation and in return, may wear jeans on Fridays.
